**LOS ANGELES YOUTH NETWORK GROUP HOME FISCAL COMPLIANCE ASSESSMENT AND CONTRACT COMPLIANCE REVIEW**

The Department of Children and Family Services (DCFS) Contracts Administration Division (CAD) conducted a Fiscal Compliance Assessment and Contract Compliance Review of Los Angeles Youth Network Group Home (the Group Home) in November 2015 and December 2015. The Group Home has one site located in the Third Supervisorial District and provides services to the County of Los Angeles DCFS placed children. According to the Group Home's Program Statement, its stated purpose is "to help abused, neglected, and homeless adolescents become self-sufficient."

The Group Home has a 12-bed site and is licensed to serve a capacity of 12 male and female children, ages 12 through 18. At the time of the review, the Group Home served 10 placed children. The placed children's average length of placement was six months and their average age was 17.

**SUMMARY**

CAD conducted a Fiscal Compliance Assessment, which included an agency-wide review of the Group Home's financial records such as financial statements, bank statements, check register, and personnel files to determine their compliance with the terms, conditions, and requirements of the Group Home Contract, the Auditor-Controller Contract Accounting and Administration Handbook (A-C Handbook) and other applicable federal, State, and County regulations and guidelines.

The Group Home was in full compliance with all areas of the Fiscal Compliance Assessment: Financial Overview; Loans, Advances and Investments; Board of Directors and Business Influence; Cash/Expenditures; and Payroll and Personnel.

During CAD's Contract Compliance Review, the interviewed children generally reported: feeling safe at the Group Home; having been provided with good care and appropriate services; being comfortable in their placement environment; and treated with respect and dignity.

The Group Home was in full compliance with 7 of 10 areas of CAD's Contract Compliance Review: Licensure/Contract Requirements; Education and Workforce Readiness; Health and Medical

Needs; Psychotropic Medication; Personal Rights and Social/Emotional Well-Being; Personal Needs/Survival and Economic Well-Being; and Discharged Children.

Attached are the details of CAD's review.

### **REVIEW OF REPORT**

On January 12, 2016, Sherry L. Rolls, DCFS CAD, held an exit conference with the Group Home representatives: Mark Supper, Chief Executive Officer/President; Ann McConville, Senior Director of Compliance; Angela Leonel, Vice President/Chief Financial Officer; and Mayra Camarillo, Residential Counselor. On January 14, 2016, Molly Sun, DCFS CAD, held a Fiscal exit conference with Angela Leonard, Vice President of Finance and Operations. There were no fiscal findings. The Group Home representatives agreed with the review findings and recommendations; were receptive to implementing systemic changes to improve the Group Home's compliance with regulatory standards; and were in agreement with addressing the noted deficiencies in a Corrective Action Plan (CAP).

A copy of this compliance report has been sent to the Auditor-Controller and Community Care Licensing.

**LOS ANGELES YOUTH NETWORK GROUP HOME  
CONTRACT COMPLIANCE REVIEW  
FISCAL YEAR 2015-2016**

**SCOPE OF REVIEW**

The following report is based on a "point in time" review. This compliance report addresses findings noted during the December 2015 review. The purpose of this review was to assess the Los Angeles Youth Network Group Home's (the Group Home's) compliance with its County contract and State regulations and included a review of the Group Home's Program Statement as well as internal administrative policies and procedures. The review covered the following 10 areas:

- Licensure/Contract Requirements,
- Facility and Environment,
- Maintenance of Required Documentation and Service Delivery,
- Education and Workforce Readiness,
- Health and Medical Needs,
- Psychotropic Medication,
- Personal Rights and Social/Emotional Well-Being,
- Personal Needs/Survival and Economic Well-Being,
- Discharged Children, and
- Personnel Records.

For the purpose of this review, five placed children were selected for the sample. The Contracts Administration Division (CAD) interviewed five children. During the site visit, the children were observed to be comfortable and well cared for in the Group Home and staff were observed to be responsive to the children's needs. Additionally, three discharged children's files were reviewed to assess the Group Home's compliance with permanency efforts. At the time of review, one placed child was prescribed psychotropic medication. The child's case file was reviewed to assess for timeliness of Psychotropic Medication Authorizations and required documentation of psychiatric monitoring.

CAD reviewed four staff files for compliance with Title 22 Regulations and County contract requirements. Site visits were conducted to assess the quality of care and supervision provided to the placed children.

**CONTRACTUAL COMPLIANCE**

CAD found the following three areas out of compliance:

**Facility and Environment**

- A child's bedroom was not well maintained.

Both windows in one of the children's bedrooms had approximately one inch gaps between the window and the frame. CAD immediately brought this to the attention of the Group Home staff. On January 12, 2016, CAD revisited the Group Home and confirmed that both windows were repaired as needed.

**Recommendation:**

The Group Home's management shall ensure that:

1. Children's bedrooms are well maintained.

**Maintenance of Required Documentation and Service Delivery**

- An Initial Needs and Services Plan (NSP) was not developed timely with the child's participation.

One of four Initial NSPs reviewed was not developed timely with the child's participation. The NSP due on August 15, 2015, was not signed by the 16-year old child. The Department of Children and Family Services (DCFS) Children's Social Worker (CSW) signed the NSP on August 27, 2015. The case file did not document why the child did not sign the NSP and did not list any Group Home efforts to obtain the DCFS CSW signature.

- An Updated NSP was not developed timely.

One of 10 Updated NSPs reviewed was not developed timely. A child's NSP due on July 2, 2015, was not signed by the DCFS CSW until July 15, 2015. The Group Home documented an effort to obtain the DCFS CSW signature within five days of the due date.

**Recommendations:**

The Group Home's management shall ensure that:

2. Initial NSPs are developed timely with the child's participation.
3. Updated NSPs are developed timely.

**Personnel Records**

- An employee's criminal background statement was not completed timely.

An employee hired on May 31, 2013, did not signed the criminal background statement until September 1, 2015.

**Recommendation:**

The Group Home's management shall ensure that:

4. Employees sign their criminal background statement in a timely manner.

**PRIOR YEAR FOLLOW-UP FROM DCFS CAD'S GROUP HOME CONTRACT COMPLIANCE REVIEW**

CAD's last compliance report dated May 13, 2015, identified one recommendation.

**Results:**

Based on CAD's follow-up, the Group Home implemented the recommendation for which they were to ensure that:

- Federal Bureau of Investigations, Department of Justice, and Child Abuse Clearance Indexes are submitted timely.

**Recommendation:**

There are no outstanding recommendations from the prior report.

At the exit conference, the Group Home representatives expressed a desire to remain in compliance with Title 22 Regulations and Contract requirements. The Group Home made efforts to utilize information from the CAD review to strive towards greater overall compliance. The Group Home provided a listing of their efforts in the attached detail of their new protocols. The Group Home will consult with Out-of-Home Care Management Division for additional support and technical assistance, and CAD will continue to assess implementation of the recommendations during the next review.

**Corrective Action Plan (CAP)- AMENDED 2/2/2016**

Department of Children and Family Services  
Out of Home Care Management Division

The following corrective action plan is in response to the Department of Children and Family Services (DCFS) Out of Home Care (OHC) Management Division's findings and recommendations regarding the Beachwood Group Home (license # 197603055) Contract Compliance Monitoring Review for the period of January 1, 2015-November 30, 2015.

**Finding: # 12, Facility and Environment-** *"In bedroom number 4, two windows were not flush with the frame thereby leaving a visible gap between."*

**Corrective Action Plan:** On December 22, 2015, LAYN repaired the two windows so the gap no longer exists. On January 12, 2016, CAD revisited the site and noted that both windows were repaired with no visible gaps. Furthermore, effective 2/1/2016 bedrooms will be checked weekly by the facility Program Director and any structural issues and/or concerns that arise will be documented on the Weekly Facility Check-List. Request for maintenance repairs will be referred to LAYN's Maintenance Technician and repaired no later than three business days. LAYN's Senior Director of Compliance will also provide monthly facility inspections to ensure safety and compliance.

**Finding: # 23, Maintenance of Required Documentation and Service Delivery-** *"Child (J.H.) did not sign initial NSP and there is no documentation as to why. [The report was also] signed late by CSW... and efforts were no documented."*

**Corrective Action Plan:** LAYN will ensure that all Needs and Services Plans are reviewed with and signed by the placed child at the time the report is due. If a placed child refuses to sign the NSP, the group home Case Manager will ensure that this is documented on the NSP as an effort to gain the signature. Furthermore, the group home Case Manager will ensure that all NSPs are signed by the CSW in a timely manner and that efforts to gain the signature from the CSW are made three times within five days of the NSP due date and that all efforts are documented on the NSP. The group home Case Manager will also ensure that case notes are completed for each attempt to gain a signature from the CSW. On February 2, 2016, the Senior Director of Compliance will train the Director of Case Management on Needs and Service Plan protocols as outlined in the DCFS group home contract. The Director of Case Management will be responsible for the direct review of the NSPs to ensure accuracy and comprehension. The Senior Director of Compliance will provide oversight as well and complete periodic checks of the NSPs to ensure accuracy, timeliness and comprehension.

**Finding: # 24, Maintenance of Required Documentation and Service Delivery-** *"Child (D.L.)(NSP) was signed late by CSW... GH made [two attempts] to obtain approval... No third attempt noted.*

**Corrective Action Plan:** LAYN's group home Case Manager will ensure that all NSPs are signed by the CSW in a timely manner and that efforts to gain the signature from the CSW are made three times within five days of the NSP due date and that all efforts are documented on the NSP. The group home Case Manager will also ensure that case notes are completed for each attempt to gain a signature from the CSW. On February 2, 2016, the Senior Director of Compliance will train the Director of Case Management on Needs and Service Plan protocols as outlined in the DCFS group home contract. The Director of Case Management will be responsible for the direct review of the NSPs to ensure accuracy and comprehension. **Finding: # 60, Personnel Records-** *"Criminal background statement signed over 1 year after staff (C.S.) start date."*

**Corrective Action Plan:** Effective 1/13/2016, LAYN's Senior Director of Administration will ensure that all necessary and appropriate criminal background statements are signed at the time of hire and before direct contact with the placed children in the facility. For further oversight purposes, the Senior Director of Administration will complete quarterly file reviews to also ensure that all necessary and appropriate criminal background statements have been signed by personnel and are retained in the file.
